

## **DOWNLOAD 2026 - RESIDENT ROAD CLOSURE INFORMATION**

### **Contingency Road Closures**

The following road closures are **contingency measures only**, meaning they will only be implemented if necessary. These closures are designed to benefit local residents by preventing festival traffic from cutting through residential areas and to help manage traffic flow around the site.

- Donington Bypass, Park Lane
- A453, Grimes Gate
- A453, The Green
- Melbourne Lane, Slade Lane
- Melbourne Lane, Forty Foot Lane
- Cockshut Lane, Derby Road
- Main Street, Packhorse Road
- Main Street, Main Street
- A453, Gelscoe Lane

### **Walton Hill Temporary Closure**

To ensure the safety and speed of customers leaving the site, the **Walton Hill junction** (located between Isley Walton and the Hilltop lights) will be temporarily closed from **21:00 – 02:00** on Friday 12th, Saturday 13th, and Sunday 14th June.

### **Melbourne Road & A453 One Way System**

A one way system will also be in place running from the junction of Slade Lane and Melbourne Lane to the A453 between 21:00 - 02:00 on Friday 12th, Saturday 13th & 14th June. All traffic will be directed right onto the A453 with

the one way running to the junction of Moor Lane towards the A42. At this point traffic will revert to normal two-way traffic. See diagram below outlining full details:
